Shramdaan for Swachhata: Towards a Cleaner India

India@75 Foundation has been working towards mainstreaming volunteering in India for more than a decade. Recently, it contributed to the 'Garbage Free India' drive by organising the **Shramdaan for Swachhata** event in Ghaziabad. The Shramdaan event encouraged communities to voluntarily clean public spaces and contribute to the vision of Clean India.

As part of this event, India@75 Foundation organised a cleanliness drive in partnership with Nirbhed Foundation. Volunteers were oriented to the larger purpose of the drive and also made aware of the India@75 vision. They were provided with masks and gloves; around 60 volunteers participated in the drive to clean the road adjacent to a big drain in Shakti Khand, Ghaziabad, Uttar Pradesh.

The Shramdaan for Swachhata event concluded with a session on "Health & Hygiene" for children aged 6 – 15 years. The session covered concepts like hand washing, oral hygiene, healthy eating habits, clean surroundings, good manners, health and well-being.

The Role of Women in Shaping Inclusively Developed India@100

The world marks October 11 as the International Day of the Girl Child in recognition of the challenges faced by the girls globally. It serves as an opportunity for reflection and resolve, on the road to creating a more equitable and gender neutral growth environment. This International Day of the Girl Child, India@75 Foundation is hosting a digital panel discussion, featuring influential women stakeholders, to understand how women can shape the future of this country and how they may be helped to do so.
